Performance Specifications

SunView LED Lighting provides the most efficient energy savings LED lighting solutions to resolve our customer's needs. Therefore, SunView strives to do the following:

- ❖ We will comply with all applicable local, state, and U.S. laws, regulations, and the necessary logistics to perform and maintain our installations with the highest degree of integrity.
- ❖ We are a drug free work place and assure that our representatives and those with whom we contract agree and maintain that status.
- ❖ Our employees, representatives, and associates will carry and present proper identification when and where required.
- ❖ Our work is performed in a safe, professional, and considerate manner as we keep in mind the daily operational needs of our customers and do our best to not interfere with the usual routine work schedules, activities, facility area locations, and the flow of employees or people utilizing the facility. We work closely with our customers to find the appropriate work hours for installation.
- ❖ Because certain projects and locations often qualify for rebates and incentives for installation of energy efficient lighting, we will help our customers in completing the essential documentation to facilitate their rebate and/or incentive revenues at no cost to the customer.
